

AUGUST CHAPTER EVENT

CONFERENCE RE-CAP

Hosted by Members

Aug. 8, 2009

Whispering Hills, Titusville

Time 9:30 am to 3:00 pm

Lunch Included

Cost \$10.00

What will be next? Who knows? All we know is that the members who attended the Conference in New Mexico will bring back with them many new ideas about the latest techniques used in the sewing industry. A new way to make buttonholes, WOW. That is only a hint of what the rest of us can learn from our traveling members. That should keep us busy for a while until the 2010 Conference in Atlanta where maybe more of us will be able to attend. Won't that be fun!
